

Please join us at the 4th annual Kailyn Rhea Foundation golf outing benefiting Bear Necessities Pediatric Cancer Foundation. Unfortunately, Kailyn passed away July 12, 2007 on the eve of the 2nd Annual outing but her legacy lives on through her foundation, in hopes of finding a cure and giving other children a chance to survive this disease.

Proceeds will help fund the various programs that Bear Necessities provides. These programs consist of funding research grants, information and support service grants and the Small Miracle program.

Bear Necessities touches the lives and needs of children with cancer that no other organization reaches. This is only possible because of the generous support of people like you.

Enjoy a wonderful day of golf and thank you for your support.
